Gvglow

Face wash

**Skin Glowing
Deep Cleansing**

MRP : 290.00

GST : 18%

BENEFITS

- Brightens dull skin & uneven tone
- Gently exfoliates for smoother skin
- Fades pigmentation, dark spots & tan
- Improves overall texture & radiance

TARGETS

- Uneven Skin Tone
- Texture & Roughness
- Pigmentation & Tan

SKIN TYPES

- Oily Skin
- Combination Skin
- Normal Skin
- Textured Skin

Goodness inside

- **GLUTATHIONE**

Deeply cleanses excess oil, dirt, and impurities while brightening the complexion, controlling shine, and reducing dark spots/acne marks.

- **KOJIC ACID**

Deeply cleanses, controls excess oil, unclogs pores, and reduces pigmentation/dark spots by inhibiting melanin, leaving skin brighter, smoother, and more even-toned without stripping moisture

- **GLYCOLIC ACID**

A powerful yet gentle cleansing product that uses an alpha hydroxy acid (AHA) to exfoliate the skin, remove impurities, and promote a brighter, smoother, and more even complexion

- **HYALURONIC ACID**

Gentle, non-stripping cleanser that uses a powerful humectant to help the skin attract and retain moisture while removing dirt, oil, and impurities.

- **VITAMIN C**

Antioxidant-rich cleanser designed to remove impurities while brightening the complexion and fading dark spots. It provides a daily dose of skin-loving nutrients, leaving the skin refreshed, radiant, and even-toned without stripping its natural moisture.

Effective Care for Clean, Healthy Skin

Cleanser

ZONVIT™-50

SUNSCREEN GEL

Zonvit Aqua Gel with Microencapsulation Technology

Zonban Aqua Gel is a w/o/w emulsion formulated with a unique microencapsulation technology which provides several benefits:

- Micro encapsulation prevents absorption of actives into skin making them non-irritating
- Sunscreen actives are oily and difficult to formulate into gel. Micro encapsulation ensures a formulation that is non-greasy, non sticky gel
- It ensures even distribution of sunscreen actives

INGREDIENT

Demineralised Water, Disodium Edta, Glycerin, Zinc Oxide, Titanium Dioxide, Octyl Methoxycinnamate, Benzophenone-3, Sodium Acrylates Copolymer (and) Lecithin, Phenoxyethanol & Ethylhexylglycerin, Perfume.
